Sir,

Greetings and warm regards from Carmel Polytechnic College, Alappuzha, Punnapra

We are extremely happy to share our technical facility with skill development programs in connection with our continuing Education cell for the past years. This course enables a large number of students who wishes to fulfill their technical dreams. Dedicated and hardworking staffs help these students to achieve their dream utilizing their inborn skills.

The various programs and internships conducting by the CCEK is very fruitful to the students to achieve technical knowledge in various dimensions which will help them in future life.

We cordially extend our warm wishes to CCEK for this remarkable achievement.
